It is the best time of year to visit the farm. It is nearing the end of the harvest, and skiing is not far away. So let's start the season with great food and company.

We are planning a gourmet pot luck feast. Ross and Chris will provide a main (they might even fire up the pizza oven) and maybe hot dogs and hamburgers for the grill or the firepit. Let the harvest inspire you, and let us know what delights you are bringing.

As a special event this year for our farm social, we will have a chicken race (with real chickens). Pick a winner and you go home with a dozen eggs (not the chicken!). And you and/or your kids can hang with the goats, chickens, and maybe even a pony.
